Luke 13: 6 - 9

QUESTIONS FOR INCREASED PRODUCTIVITY

1. When should we cut things down?
2. What do we do with things that take up space without production?
3. When it seems like a waste of time and space, how do we examine what we are doing?

QUESTIONS FOR INCREASED PRODUCTIVITY

4. What systems and structures do I have in place for growth?
5. How much time and effort am I investing?
